Bradley Creek Marina Newsletter
January 2019
HAPPY NEW YEAR!

DREDGING

Dredging has begun! Equipment has been moved in and the dredging has started on Pier 6. We will be contacting all wet slips owners and renters as we progress to have your vessel moved as we get to your Pier. We appreciate everyone's patience as we work through this project. If you have any questions, please contact us!

ADDRESS CHANGE

We are still receiving mail at the old PO Box address. PLEASE make the change to

6338 Oleander Drive, 28403!

DATES TO REMEMBER:

December 2018—Spring 2019—Dredging Project

January 15th—BOD Meeting

February 16th—Annual Meeting and Oyster Roast

March 19th—BOD Meeting

NEW FIRE PIT

There is a new Fire Pit located in the marina for everyone's enjoyment. There is a box attached to one of the poles near the fires pit that has instructions and lighters in it. Please make sure you turn off before you leave and keep small children away from the flame!

OYSTER ROAST

Annual Meeting and Oyster Roast will be held February 16th !

Annual Meeting is at 9:00 am followed by the Oyster Roast at 6:00pm.

Bring an appetizer or side to share!

LONG TERM PLANNING

Your BOD and staff will be having a Long Term Planning meeting in January. We would like for you to make any suggestions and/or recommendations on what you would like to see improvements on for the marina. Please send them via email to me at

bcmoffice@bradleycreekmarina.com

NEW WEB SITE

The new website is coming along and we should be unveiling it to you in a few weeks. It will have so much more information about sales, rentals, clubhouse and overall news about the marina.
